

## Food Allergies Rock!

*Click on image to RSVP*

We are excited to present the third installment in their 4-part speaker series. Join [Kyle Dine](#) as he goes over confidence-boosting strategies that will help youth take control and ownership over the finer details of their food allergy management. With a strong focus on the things youth care most about, Kyle will promote the balance between living a normal pre-teenage and teenage life, and being safe. The presentation will contain some out-of-box thinking and tips on how to follow key safety guidelines in creative ways that reflect a youth's own unique self.

[Kyle Dine](#) is an educator and musician who performs at schools across North America raising food allergy awareness. Over the past 6 years, he has performed at over 1,000 schools and reached over one million students. He has grown up managing his own allergies to peanuts, tree nuts, eggs, seafood and mustard. His songs help empower, support, and educate all children. He has released two professional CDs. Kyle is also the CEO and Founder of [Equal Eats](#) that provides solutions and tools to help people living with dietary restrictions communicate with the foodservice industry effectively, accurately, and conveniently.

This speaker series is made possible through a community award from [Food Allergy Research and Education \(FARE\)](#), generous supporters of our community!

## Make An Impact On Our Campers!

*Click on image and learn about our sponsors*

Camp Blue Spruce is grateful to the many individual donors, foundations and companies that gave to our unique camp in 2023 with financial and product donations. Many have contacted us to offer their assistance again this year. Thank you!

Please consider supporting our campers for the 2024 season.

Businesses and corporations are some of our strongest allies creating a world for kids with food allergies to be included. If you would like to become a financial sponsor or make an in-kind product donation for camp, learn more details about brand recognition and visibility benefits along with the impact of a sponsorship on our [website](#). You can also contact our Sponsor Outreach team at [development@campbluespruce.org](mailto:development@campbluespruce.org).

**Individual or Monthly Donation**

**Teens Just Want to Have Fun!**

*Click on image to learn about Adventures Without Limits*

Camp Blue Spruce is excited to once again partner with [Adventures Without Limits](#). Each summer, the Teen eXplorers and Counselors in Training participate in a fun off-site team building day. This summer, AWL will be taking them to the beautiful Santiam River for an exciting rafting journey.

The [Teen eXplorer Camp \(TXC\)](#) is a very popular program and is for teens who want to make new friends, take part in activities that challenge them, and have a blast in the great outdoors. TXC focuses on personal growth & responsibility, self-reliance and teamwork. TXC campers stay in their own teen unit and enjoy all the fun of camp while venturing out and testing their limits. They have even been known to camp out under the stars!

The [DeMerrell Leadership Initiative – Counselor In Training Program](#) is for teens who are at least 17 years old and offers an immersive program that provides a progression from camper to staff. This training fosters valuable leadership skills that prove beneficial in every aspect of life – at camp, home, school, and work.

---

*Camp Blue Spruce's vision is that all children and families living with food allergies have a sense of belonging, trust, and community.*

Camp Blue Spruce provides children with food allergies experiences where they can be independent, confident, and worry-free

Camp Blue Spruce is a 501(c)3 charitable non-profit organization. Your donations make ALL the difference and are tax deductible under Federal Tax ID# 45-4619990. Please donate today!
